Subject: Summary of the AZ Senate hearing and Auditor reports

What the Main Street Press is not reporting and what the social media giants are blocking about the findings of the AZ 2020 Election Audit.

Sorry it took so long, I'm overwhelmed on so many fronts. Attached is a high-level Summary of the AZ Senate hearing and Auditor reports presented Friday in one easy to read Summary.

Please distribute to all your friends, they need to hear the truth. PA will be one of the next domino's to fall.

The Summary was taken "directly" from the September 24th Arizona Senate Hearing presentation as found on the Arizona Senate's Website:

and the final reports from Dr. Shiva Ayyudurai, CyFIR (Mr. Ben Cotton) and Cyber Ninjas which can also be found on the Arizona Senate's Website:
